or FAX 08- 711 48 40 (internat. +46-8-711 48 40)**

TRAUMA RADIOLOGY

6TH NORDIC COURSE

**MAY 31ST – JUNE 3RD, 2010
STOCKHOLM, SWEDEN**

TRAUMA IMAGING FROM TOP TO TOE

- Neuro trauma
- Chest/aortic trauma
- Abdominal injuries
- Pelvic & urological trauma
- Spinal clearance
- Injuries to the extremities

FOCUS ISSUES

- Facial injuries
- Pediatric trauma
- Intervention & MRI in trauma patients
- Radiology in intensive care
- Radiation, pregnancy & contrast

PROGRAM

The program aims to give basic knowledge of the full spectrum of trauma radiology. It serves both as an introductory and a refresher course. The state-of-the-art in trauma radiology will also be covered

Visit our website www.nordictraumarad.com to see earlier program details and Syllabus.

One afternoon will be devoted to film reading sessions/workshops with the speakers. The course will apply for IPULS accreditation, and thus will be able to reward ca 20 CME credits.

Leading companies will be initiated to give short presentations of products relevant to trauma radiology.
